

Dear Mrs. Weisberg -

Please send one copy of
your book "White Wash" to:

MRS. C. BOSTON

32 FOOTHILLS DRIVE

LINCOLN PARK, N.J. 07035

A check for \$1.25 is enclosed.
If the book price and cost of
mailing is more, please bill me
and I'll send the difference by
return mail. (Paper-back copy)

My husband and I enjoyed
your appearance on the Alan (Burke)
show. We, too, have had many
doubts and questions as to the
Warren Report.

Chief Justice Earl Warren
became a Supreme Court Justice

through a political appointment.
I have never seen anyone
become infallible through
political appointments, have you?

Congratulations on your handling
the Junior Perry Masons, although
they really helped you. They
certainly put the entire audience
on your side.

I'm looking forward to
reading your book.

Sincerely,
Janet Boston

Dear Mrs. Boston,

Thank you for your kind note and the check for \$1.25. WHITEWASH is enclosed.

The economics of a "private printing" are such that it is virtually impossible for a book to be profitable. All the costs are higher, hence we are having to sell WHITEWASH at \$4.95. The difference, including postage, is \$2.80.

While it is generally true that a private printing is difficult for a bookstore to obtain, WHITEWASH is the exception. All the major distributors either handle it or have it available to them. This is especially true in the Northeast. We are happy to mail them out, but if the occasion arises, would you please tell your friends and the bookstores with which you deal that WHITEWASH is stocked by A & A, Bookazine and Diamondstein. These names will mean nothing to you, but they are the three largest distributors on the east coast.

Thank you for your kind words and encouragement. Those lawyers were, if unintendedly, very helpful.

Sincerely yours,

Harold Weisberg
